Applicant submits herewith by the Electronic Filing System (EFS) a Petition to Expunge pursuant to 37 C.F.R. § 1.59(b), the Revocation and New Power of Attorney filed on February 4, 2010. A revised Revocation and New Power of Attorney will be submitted after this Petition is granted.

In accordance with M.P.E.P. § 724.05, Applicant requests that the Revocation and New Power of Attorney, together with the accompanying documentary evidence for chain of title, filed on February 4, 2010, be expunged as the documentary evidence contains confidential material and does not provide a record of completed chain of title for the above-referenced patent application. The information was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party in interest on whose behalf the information was submitted. The information has not been otherwise made public. Petitioner is committed to retain the information for the period of any patent granted on the above-identified patent application.
